2009 List Information and Rates

- ◆ Lists consist of named individuals – physicians, surgeons, academics and researchers – working in all areas of medicine and science worldwide.
- ◆ They can be supplied for either postal or email campaigns. Different rental rates apply for each.
- ◆ Lists are continuously updated and clients are offered a credit on any “Returns” / “Gone-aways” received.
- ◆ A summary of lists is on the next page. Should you wish to use related lists for the same campaign, please let us know so that the lists can be deduplicated to remove any overlap.
- ◆ Can't see the list you need? We may still be able to help by selecting individuals with a stated interest in the field you wish to target.

Postal data:

£125 per 1000 names & addresses.
ASCII comma delimited text, CSV, Fixed Field, Excel format
Pressure Sensitive labels

Email data:

£169 per 1000 names & email addresses.
ASCII comma delimited text, CSV, Fixed Field, Excel format.

Data is only supplied for promotions of academic / professional interest.
Emails are for individuals at work addresses.

Options
